Re: Utility Rebates

Dear Bonnie,

Thank you so much for the outstanding work and support in pursuing and securing tens of thousands of dollars for us in qualified rebates and credits resulting from our HVAC renovation and equipment upgrades. We would never have been able to achieve these rebates without your guidance, support and extraordinary efforts as our advocate!

We look forward to working with you on the lighting retrofit project for our 15,000 sf.office.

Thanks again!

Best wishes,
